XI CONFERENCES, SYMPOSIA, WORKSHOPS AND SEMINARS

From my first year in academia at Ife in 1968/69 through my final year in the World Bank (2004), I attended over 100 national and international conferences, symposia, workshops and seminars. A majority of the sixty-one international conferences were either through my membership of two professional associations (the International Association of Schools and Institutes of Administration (IASIA) and the International Institute of Administrative Sciences, IIAS) or through invitations requesting me to deliver papers or serve as an expert.

The Writings of Ladipo Adamolekun in five volumes:

Vol. I, 1968 -1978; Vol. II, 1979 – 1986; Vol. III, 1987 – 2000; Vol. IV, 2001 – 2011; and Vol V, 2012 – 2020.
